

Invoice 38

The screenshot displays the Aventus Quantity 2018 software interface. The main window shows a list of items with columns for Number, Status, From, From No., To, To No., Planned, Actual, Received, Driver, and Billable. A dialog box titled "Editing Completed" is open, showing "Shipment properties" and "Destination job site properties". A video call window for Terry Thomas is visible in the bottom right corner.

Number	Status	From	From No.	To	To No.	Planned	Actual	Received	Driver	Billable
